**RE: Video Recording Ordinance – Borough of Ramsey**

Dear Mr. Griffin:

Thank you for your letter of September 12, 2018 to the Mayor and Council. The Borough of Ramsey is confident of the constitutionality of its “video recording ordinance”.

Please remind your client that the Borough’s commitment to “openness and transparency in government” does not include the recording of private conversations occurring before the meeting or after its conclusion.

Again, thank you for your interest in the Borough of Ramsey.

Very truly yours,

Peter A. Scandariato
